

## Dark R.O.P.E. House & Dungeon Rules

- 1: **Adults only!**  
Please be 18 years of age or over. Legal ID is required, matching your RSVP to the adult present at the party.
- 2: **RSVP required.**  
Dark ROPE events are private events open only to those ON the RSVP'ed guest list. Your RSVP is a commitment to the host that you'll be present and responsible for your cover charge. Cancellations must be made to the host ASAP. No-call/no-shows will be removed from future event lists. Respect the posted hours of the party.
- 3: **Privacy.**  
What happens at Dark ROPE stays at Dark ROPE. By attending, you agree not to discuss anything that happens, event location or anyone who attends, with people who did not attend this event without the prior written consent of the hosts and/or individual party attendees.
- 4: **Respect.**  
No means No! Harassment will not be tolerated. Anyone that doesn't understand this or is making unwanted advances could be subject to removal from the event. Respect others by not touching what does not belong to you (people or property.)
- 5: **No Drugs, Alcohol or Firearms.**  
Possession and/or use of illicit and illegal drugs is not permitted. Firearms are not permitted. Please do not bring alcoholic beverages to the event. Failure to follow these rules constitutes grounds for removal and banning from future events. Whether you think so, marijuana is not legal, nor are prescription drugs that are not YOURS. We respect your right to do as you please on your own time. The legal implications of drugs at a play party puts us, our home, our guests and our ability to have parties like these in jeopardy. In addition, anyone believed to be playing intoxicated or under the influence may be removed from the playspace or the property.
- 6: **Solicitation:**  
Guests are not permitted to pay nor accept payment to engage in any form of entertainment or sexual activity.
- 7: **Nudity.**  
Nudity is permitted ONLY inside the house, inside the fenced area of back yard, and inside the tents. NO NUDITY IN FRONT YARD OR OUTSIDE BACK YARD FENCE. You must be covered when walking to and from the tent areas. Being naked requires respect of others. If you sit, please sit on a towel, garment or chux pad. Uncovered genitals should not be present in the kitchen or food service areas.
- 8: **Sexual Activity:**  
We operate a sex-positive space. For the safety of our guests, please use safer sex practices. Also, protect play surfaces with chux or stretcher sheets and clean up after your scene. Private bedrooms are off-limits to event attendees.
- 9: **Photo Policy.**  
Photography is ONLY allowed with the express permission of the event host, and then

only with the advance knowledge of individuals in the area where photos are being taken. Photography must not interfere with other scenes in progress nor involve individuals who did not consent to be photographed. Unauthorized camera equipment and photography may be grounds for confiscation, deletion and removal from the event.

**10: Smoking.**

Smoking is permitted only OUTSIDE in designated areas of the house.

**11: Clean up after Yourself.**

There are no maids to clean behind you! Throw your garbage, cups and empties out. If someone forgot and you see an empty item, please help it find a home in the trash. If you spilled something, wipe it up. If the trash is full or you need cleanup supplies, ask for help!

### DarkROPE Playspace Rules

**1: Safewords.**

Use of Safewords & Safe Signals are recommended. \* The House Safewords are

RED = STOP  
Yellow = Caution

House Staff will stop scenes in progress if RED is called and the Top does not acknowledge it.

**2: Personal Responsibility.**

Act responsibly when it comes to your own personal safety.

- Play sober, negotiate play in the public space and don't go home with strangers.

**3: House Staff are here to help.**

House Staff act as safety monitors and can answer questions about equipment, safety and other concerns.

- If something looks or feels wrong let a House Staff member know right away.
- Let House Staff know before engaging in loud, rough or potentially shocking scenes.
- Consult House Staff before engaging in blood play, fire play or suspension scenes.

**4: The Play Space.**

- Distractions in a playspace can lead to unintended injuries. Keep conversations to a minimum and voices soft.
- Don't crowd scenes or join a scene without express permission.
- Don't occupy equipment with your gear or your body if you're not intending to play.
- Give players recovery time; right after a scene is not the time for a critique or to start asking questions.

## Dark R.O.P.E. House & Dungeon Rules

- Heckling and other interruptions will not be tolerated.

### 5: The Play Equipment.

#### Clean up after yourself!!!!

- Please don't monopolize the play equipment. Other guests are likely to be waiting for the equipment you're playing on. Time restrictions may be imposed by House Staff if long lines begin to form.
- A majority of your Aftercare should not take place ON the play equipment. Please move your partner/sub/bottom to a social area after cleaning the space so that others may also enjoy the event.
- Do not move play equipment without the express permission of House Staff.
- Notify House Staff immediately if a piece of equipment appears broken or in need of service.

### 6: Restricted Play.

- Yellow (watersports/urine), Roman Showers (vomit/puke) and Brown Showers (Scat/feces) are prohibited.
- Blood play, fire play and suspensions should be cleared with House Staff prior to setting up a scene because of space restrictions, safety equipment and crowd control concerns.
- You are required to bring your own safety equipment. Consider using a spotter for fire play and suspension scenes.
